Room to Grow

Flexible add-on storage for your home or office, with room to grow. With 250GB, the Maxtor external hard drive provides you enough capacity to hold and organize your storage-hungry applications and files. No more searching through stacks of CDs or tapes to find the files you want. There's lots of room for new software, digital videos or last year's tax returns on one drive.

Not only is the drive hot swappable, it offers powerful connection options with the dual FireWire® (IEEE 1394, i.LINK®) and USB interfaces.

The Best Ideas Need a Maxtor OneTouch Drive

Easy—Just push the button to make a backup copy of your files.

Fast—Back up files faster than floppy, CD or removable cartridge systems.

Convenient—Make backup copies of your files, while you work, with a simple push of a button.

Flexible—Use the Maxtor OneTouch button or run automated, unattended backups with Dantz® Retrospect® Express.
